L'exemplaire filmé fut reproduit grâce à la générosité de:

Harold Campbell Vaughan Memorial Library
Acadia University.

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole ⟶ signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

AGAIN ENLARGED.

As we have in the past devoted our energies to bring

The Weekly Gazette

To its present pitch of excellence, so in the future it will be our endeavor to merit the confidence, the good opinion and the assistance of all our subscribers. To this end we have again enlarged the paper, having added eight columns of reading matter to each issue.

THE WEEKLY GAZETTE

Is now, without exception, the

Largest and best dollar newspaper in the World.

A person lately looking over files of *THE WEEKLY GAZETTE* was absolutely astonished at the amount of interesting and instructive reading ON ALL SUBJECTS of human thought which it contained. What a lot of books on Science, Art, Household Economy, Natural History, Education, etc., could be compiled from these files! What a fine collection of Stories from the best British and American magazines! What volumes of exquisite Poetry! What valuable hints on Agriculture, Gardening, and Veterinary Practice! Not to speak of the hundreds of pages of Contemporary History, Travels, Discoveries, Religious and Missionary Intelligence, Statistics of all kinds, and, last but not least, of matter relating to Canadian Politics, Public Works and General Progress! And all this fund of knowledge for

ONE DOLLAR.
